PETITION TO REVIVE
37 C.F.R. §1.137(b) – Unintentional Delay

Applicant hereby petitions to revive the subject application, which has gone abandoned for lack of timely payment of the issue fee, and timely filing of an amendment under Rule 1.312 as required in the attachments to the notice of allowance.

The issue fee and the required Rule 1.312 amendment are submitted concurrently with this petition. Also submitted is the required petition fee.

The entire delay in filing the required issue fee and amendment under Rule 1.312 was unintentional. The notice of allowance and the attachments requiring the Rule 1.312 amendment were not received in the mail by the undersigned until more than two months after the due date for payment of the issue fee had already passed.

In any event, applicant requests that the application be revived and promptly processed to the grant of the patent.

Respectfully submitted,

Dated: May 23, 2006
